

The Primary Guide to Growing Up, Relationships and Sex - Lesson Plans.

Introduction

The Lesson Plans below are for use with the DVD *'The Primary Guide to Growing Up, Relationships and Sex'*. There are five subject areas, each with their own objectives and resources, some are more gender specific. Optimise your choice of content for your tutor group. Teachers may wish to modify the lessons to each child's abilities/needs and to divide the class into groups as appropriate.

At the end of each lesson plan there are worksheets for group or individual work.

The 'Help and Advice' section is an online resource at www.lifesupportproductions.co.uk

Please also refer to the accompanying resource pack.
